Antitrust Statement

It is the policy of Pacific-West Fastener Association and its members to comply with laws and regulations applicable to their activities.

Among other things, Pac-West members and leaders are subject to antitrust laws that prohibit fixing prices, allocating geographic markets, unfair or deceptive practices, setting profit levels; boycotts, and most other anticompetitive actions. Pac-West will neither permit nor condone anti-competitive behavior, whether willful or inadvertent, in connection with any Pac-West activity.

Additionally, discussion among two or more people that suggests intentional or unintentional fraudulent activity is illegal.

Conversations involving discussion of matters that may violate applicable laws and regulations should always be avoided, even in private settings, and cannot be tolerated in connection with any Pac-West meeting or activity. Persons engaging in possible violations of Pac-West policy during meetings or activities will be required to cease such activities, and if necessary, are subject to ejection by the presiding officer of the meeting.

Questions concerning antitrust or other laws or regulations connected to Pac-West activities should be referred immediately to the chief staff executive.

No Recordings

No audio, video, or other form of recording of any meeting (including member forums, informal meetings and gatherings, task forces, committee, and subcommittee meetings) of the corporation be permitted other than as may be authorized by the Board of Directors, in its sole discretion, by written resolution. In the event that a recording of a meeting is authorized, said recording shall be destroyed upon approval of the minutes of the meeting or one hundred (100) days, whichever is sooner, unless prohibited by law, court order, or written directive of the Board of Directors

FASTENER
TRAINING
INSTITUTE

2026 FASTENER TRAINING WEEKS

Sponsored by:

Fastener Training Week is FTI's advanced fastener training program that leads to Certified Fastener Specialist™ designation, the most noteworthy measurement of technical aptitude for fastener professionals. Join us for one of three sessions in 2026.

FEBRUARY 9-13

Cleveland, OH, at the Industrial Fasteners Institute

Our first 2026 session includes notable in-person tours in the beautiful mid-west and exceptional learning space at our long-standing industry partner's headquarters, just outside of Cleveland.

MAY 4-8

Charlotte, NC, with Fastener Fair USA

Combine training with Fastener Fair USA. It features virtual tours and in-depth presentations from FTI suppliers—including a quality lab, cold header and secondary processor. Registration includes entry to the show.

AUGUST 31- SEPTEMBER 4

Chicago, IL, part of MWFA's FSTNR Week

Highlights of Fastener Training Week in the Windy City include networking during the FSTNR show and several in-person tours.

CURRICULUM INCLUDES

- Understanding Fastener Standards
- Fastener Engineering / Bolted Joint Design
- Thread Technology
- Material Specifications
- Platings and Coatings
- Print Reading
- Certifications, Test Reports and Lot Traceability
- Fastener Manufacturing Plant Tours

WHO SHOULD ATTEND

- Fastener distributors
- Manufacturers
- End-users
- OEMs
- Purchasers
- Engineers
- Sales and quality professionals

Back by popular demand, our Fall Conference returns in 2026!

Join us for the Pac-West Coastal Connection in Monterey, CA, where you'll experience a dynamic blend of industry education, quality networking, and relaxed social time in one of the Central Coast's most stunning settings.

This year's program is crafted to deliver valuable insights and exceptional opportunities to connect—not just for attendees, but for spouses as well. We invite you to make the most of this destination event and enjoy a memorable experience together.

Registration opens in June!
